Dear [Redacted]

I appreciated your letter of January 30, 1981, in regard to our group interview at the Agency on 4 March between 2:30 and 3:30 pm. I am enclosing a copy of the list of students and myself, including dates of birth, place of birth, and social security numbers.

We will be conducting interviews throughout the day in Washington proper. While some of the students have cars the cars are a liability as we move from interview to interview. Would it be possible for us to take the "Bluebird" bus from the State Department out to the Agency?

STAT

[Redacted] I believe a previous Hope College group was able to do this. It certainly would help my scheduling problems. Please let me know.

Sincerely,

*Renze L. Hoeksema*

Dear Dr. Hoeksema:

STAT Your letter of January 16, 1981 to [ ] was passed to me as [ ] has moved to another job and I have inherited his responsibilities. STAT

STAT I am delighted to be able to tell you that I have been able to obtain one of our senior substantive officers to meet with the students from Hope College on 4 March between 2:30 and 3:30 pm. [ ] is a National Intelligence Officer, a senior official in charge of producing and coordinating national estimates and other analytic reports for policymakers. He has been with the Agency for more than five years and is in an outstanding position to observe how we utilize our intelligence resources and how the intelligence process actually works. Additionally, [ ] is an excellent speaker, in large part because of his knowledge of his subject but also because of his conviction that the Agency is performing a most useful function for this nation. STAT

My office will be happy to make final arrangements for your visit. I assume you have transportation to Headquarters building and return to your quarters. We shall alert the guard so that your group will be expected and I shall meet you at the main entrance of the building at 2:20 if that is convenient with you.

STAT As you probably know, our security procedures are inflexible. To be admitted to Headquarters building, one must be a US citizen and we must have the names and Social Security numbers of all visitors well in advance of their arrival. You may phone the names and Social Security numbers to [ ] on [ ] Please do so as soon as possible. STAT

I look forward to meeting you and your students on the 4th of March.  
If you have other questions, please phone me or  at the number  
given.

Yours sincerely,

Dear [Redacted]

This letter is to request that you participate in the 1981 Hope College Washington D.C. Honors Semester.

The Washington Honors Semester involves group interviews with a number of persons at from two to four organizations involved in a particular area of public policy. We have found that this gives students a feel for the issues and an appreciation of different viewpoints.

The twenty-one student participants in the 1981 Washington Honors Semester spend the semester in Washington and have two six-week internships in addition to three weeks of interviews interspersed throughout the semester. Those having internships with the Department of State have a six-week internship and then twelve weeks with the Department of State. The group includes juniors and seniors with a variety of disciplines.

At present we are planning to look at "The C.I.A.: Intelligence Resources and the Intelligence Process" as one of these policy areas. We would like to visit you in your office or a convenient meeting room from 2:30 to 3:30 p.m. on Wednesday, March 4, 1981. If this time and date are convenient, please write a confirmation to my address below. I then will contact the appropriate person at your office to finally confirm arrangements. If this time conflicts with your schedule and you would like to arrange an alternate date, please let me know as soon as possible.

Thank you for your consideration of this request and I know the group hopes to be able to visit your office.

Sincerely,

Renze L. Hoeksema, Director  
1981 Washington Honors Semester
